Dear Mr Bergmann,

Thank you very much for having sent me the documentation for your project P-Play.

Please be informed that I have asked my colleagues to send all the documentation to Mr Lukas Brud, Secretary of the International Football Association Board (IFAB). The International Football Association Board is taking care of any matters regarding the 'Laws of the Game'. As you are proposing a project 'to settle matches in the fairest possible way' your project falls under the 'Laws of the Game'.

From my side, I would like to thank you for all your passion and devotion you have for football, as you have for sure spent many hours for this project.

Yours sincerely,

U E F A

A handwritten signature in black ink, which appears to be "Platini", is written over the UEFA text. The signature is stylized with a large, sweeping loop on the left and a horizontal line extending to the right.
